MOTION TO COMPEL DISCOVERY

NOW comes plaintiff, respectfully requesting this Honorable Court to issue an Order to compel discovery and impose sanctions. In support avers:

1. There is currently a motion to compel discovery pending before the Court (Doc.#162). This has been held in abeyance since April 13, 2006.

2. Since that time the only documents the defendants' turned over were the un-redacted z-code vote sheets. And some interrogatories. They have failed to turn over the z-code "policy" itself and are now late in producing plaintiff's second request for production of documents.

3. Based upon plaintiff's continued need to file with the Court, he is asking that sanctions be imposed and plaintiff be compensated accordingly.

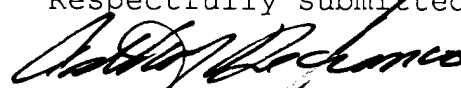

WHEREFORE, plaintiff prays this Honorable Court grant the relief requested herein.
